Letters and cards to international destinations

Minimum size: 140 x 90mm, maximum size: 380 x 265 x 32mm
Rates in euros

NB: In line with international legislation, the way in which your post is sent to addresses outside of the Netherlands is changing. From 2020 onwards, goods may no longer be franked in the same way as letters. You can frank this type of shipment as a parcel without Track & Trace, registered mail or insurance service. Other countries also require that we share information about the content with them digitally in advance. You therefore need to frank your parcel online. For more information, please visit postnl.nl/veranderingen-buitenland.

How many stamps do I need?

The stamp value is indicated by a number.

Nederland 0-20g

€ 0.91

In the Netherlands, you need one stamp with the number 1 for letters weighing up to 20g.

Nederland 20-50g

€ 1.82

Stamps with the number 2 should be used for letters weighing between 20g and 50g.

Internationaal 0-20 g

€ 1.50

For letters weighing up to 20g for delivery to addresses abroad, use the Internationaal 1 stamp.

Nederland XL

€ 4.40

For shipments within the Netherlands >C4 size weighing up to 2kg and shipments weighing 350g-2kg (any size)

You can continue using these stamps with numbers if the rate changes.
PostNL reserves the right to make changes.

New for individual postage rates is that for all postal items larger than C4 size, you pay the rate of our new XL stamp. You should also use this stamp for smaller items of post weighing between 350g-2kg.
