Changes Bulk Mail

As of 1 January 2017

As of 1 January 2017, the rates for several products will change. The domestic rates listed below do not include VAT. The cross border rates listed below are exclusive of VAT. A complete overview of our products, services and rates can be found at postnl.nl/tarieven2017.

Domestic Bulk Mail

The rates for domestic Bulk Mail will increase on average by 3.5%.

International Bulk Mail

The rates for International Bulk Mail will increase on average by 3.7%.

Changes in weight categories

We have simplified our product range by adjusting the weight categories between 200 and 500 grams for 2017. These weight categories will be the same for the entire product range, resulting in a orderly sequence of the weight categories.

Weight categories 2016	Weight categories 2017
200 gram – 300 gram	200 gram – 350 gram
300 gram – 400 gram	
400 gram – 500 gram	350 gram – 500 gram

Mixed Bulk Mail

For domestic Mixed Bulk Mail the minimum order amount will be reduced by over 20%, down to € 17.50. The minimum order amount for Mixed Bulk Mail to cross border destinations will remain unchanged. As of January 2017 the rates for Mixed Bulk Mail (to domestic and cross border destinations likewise) will be based on weight categories, instead of a combination of a fixed and a variable rate component. This eases the way in which you can calculate the rate of your Mixed Bulk Mail consignment.

Miscellaneous

Door-to-door

The rates for Door-to-door distribution will increase on average by 3%.
