Domestic business services

- Domestic bulk mail: rate increase by approximately 5%.
- Registered domestic bulk mail: rate increase by €0.25.
- Business reply service up to 20g: €0.98 (currently €0.92).
- Letterbox Packet+: rate increase by an average of 3%.
- Forwarding service for businesses: rate increase by 2.5%.
- P.O. box: €225 per year (currently €219.50).
- Business reply service: €225 per year (currently €219.50).
- Pick-up and delivery service: the rate increase is lower as the time window within which mail can be picked up/delivered is longer. In doing so, we actively try to contribute to CO₂ reduction and have fewer cars on the road. For the basic rate you can have a maximum of six mailbags of post picked up or delivered (limit is currently twelve).

International business services

- International bulk mail: rate increase by an average of 3.3%. This may be higher depending on the country of destination.
- Brexit and international shipping to the UK: as of 1 January 2021, the United Kingdom will officially leave the European Union. From then, there will be no more free movement of trading goods. Providing customs information is thus mandatory for shipping goods to the United Kingdom. Read more on postnl.nl/brexit.
