Business reply service

Domestic bulk mail	rates are increasing by around 5%	
International bulk mail	rates are increasing by around 5%	
Registered bulk mail	rates are increasing by around 4%	
Letterbox packet+	rates are increasing by around 3%	
Forwarding service for business	rates are increasing by 3%	
Pick-up and delivery service	rates are increasing by around 5%	
PO box	€253	(2023: €242)
Business Reply Service	€253	(2023: €242)
Domestic business reply service items up to 20 g	€1.13	(2023: €1.05)

Please note: If you have a contract rate for business reply service items, the rate will depend on your annual volume instead of your monthly volume. If you also receive an annual volume discount, this will only be based on the mail you send. Your annual volume of business reply service items will no longer be included.

See the following page for more information about business letterbox packages+.

Please note: When sending business letterbox packages+, as of 1 January 2024, you can drop off all your letterbox packets+ up to 11 pm if you sort them for 15 directions. You do not pay a surcharge. If you sort for 5 directions, you can still drop off a maximum of 35% of your letterbox packages+ between 9 pm and 11 pm. The surcharge you pay for this will increase to 19.4 cents per letterbox packet+.
