

Attachment to the Transport Agreement

Addition of Shipment of ADR parcels in limited quantities

PostNL Pakketten B.V.
Amsterdam, the Netherlands
Dutch Chamber of Commerce registration no. 34337145

Attention: shipment of ADR consignments containing hazardous materials which are subject to exemptions is only allowed if a business transport agreement is closed with PostNL Pakketten BV.

Shipment of ADR consignments containing hazardous materials which, at the time the consignment is presented, are subject to exemptions under the law applicable to transport

Conditions

1. ADR consignments will be added to the Transport Agreement. "ADR consignments" refers exclusively to consignments containing hazardous materials which, at the time the consignment is presented, are subject to exemptions under the law applicable to transport.
2. Otherwise, the existing terms and provisions of the Transport Agreement will remain in full force and effect.
3. PostNL Parcel s only accepts ADR consignments which comply with the following requirements:

Content <small>consult the ADR latest version part 1</small>	Labelling <small>consult the ADR latest version part 1</small>	Packaging
<ul style="list-style-type: none"> • Packaged in limited quantities (LQ) • Max. 30 kg per parcel. 	Compulsory  Optional 	Consult the ADR latest version part 1
<ul style="list-style-type: none"> • Exempt Quantities (EQ) 	Compulsory 	Consult the ADR latest version part 1

4. Remaining Conditions

- LQ and EQ parcels may only carry this label if this type of transport is permitted (see ADR)
- LQ and EQ parcels are packaged and labelled in compliance with the requirements set out in the European Agreement concerning the International Carriage of Dangerous Goods by Road (ADR).
- The maximum number of EQ parcels to be presented at the same time is 1,000.
- Parcel weight may not exceed 30 kg.
- LQ Parcels must be clearly designated as such for the parcel delivery driver (i.e. indicated on the delivery note)
- The same ADR LQ requirements apply to parcels that fit in letterboxes named "brievenbuspakjes"

For a full overview of all shipping requirements, please consult the ADR latest version.

Permitted consignments (sizes and weights)

Identical to those used for parcel consignments but max. weight is 30 kg.

Liability

PostNL' s liability is subject to the limit specified in Article 13 of the General Terms and Conditions.

Supplement: any costs related to incidents involving potential damage to materials, other parcels or individuals which clearly show that the shipper has not complied with the statutory requirements of the ADR will be charged to the shipper.

General Terms and Conditions

All shipments are subject to **the Algemene Voorwaarden Goederenvervoer / General Terms and Conditions for the Transport of Goods, latest version.**

LQ and EQ consignments must be presented to PostNL as specified below.

- Prealerted at all times and give a tick in the checkbox "contains dangerous goods"
- Furthermore, all supplementary services are permitted.

Client ensures that it will only present ADR shipments in accordance with the above-mentioned terms and conditions and fully indemnifies PostNL against any form of damage arising from the transport of the ADR consignment.
